### **Mother's Day**

Signed into law in 1914 by President Woodrow Wilson, the second Sunday in May is designated as Mother's Day. This holiday has its early roots in a Church tradition called "Mothering Sunday," typically the Fourth Sunday in Lent, where a special service was held for mothers. Over time, this tradition faded and the practice we have today of buying flowers, candy, and cards and calling or seeing our mothers gained prominence.

As this holiday quickly approaches, we are reminded of the many mothers in the Bible. In Genesis, we hear of Eve, the first mother, whose children would populate the Earth. Abraham's wife, Sarah, remained patient and faithful to God, becoming a mother later in older age. Rebekah, too, was barren. She trusted in God and gave birth to Esau and Jacob. Jochebed, fearing for the safety of her child, placed the infant Moses into a basket and sent him down the river, hoping and trusting he would find safety. Elizabeth, the mother of John the Baptist, showed great faith and wisdom in bearing the prophet of the Lord. Mary, the mother of Jesus, trusted in God's plan and raised the Son of God into adulthood.

But, like all mothers, these mothers too had their share of heartbreak and disappointment. Eve, for her and her husband's disobedience, would be kicked out of the garden and one of her sons kills the other. Sarah, before having children of her own, watched her husband have a child with Hagar. Hagar herself, along with her son, Ishmael, get cast out and discarded once Sarah is pregnant. Elizabeth and Mary both see their sons executed by the religious and political authorities.

Being a mother is, at the same time, an incredibly joyous experience and terrifying one. It is filled with great successes and heartache and disappointment. Motherhood is unlike any other experience and is a life journey that can be extraordinarily fulfilling.

And yet, Mother's Day can be difficult time for many among us. Some continue to

grieve the death of their mother. Some among us grieve the death of their children. Some women had hoped to become mothers, but were unable. Some have experienced the loss of miscarriage. Some have been unable to find a partner to share parenthood with and have not had children. And, there are those among us, who choose not to have children and experience this holiday as a judgment on their choices.

So, we hold all this together; the joys, the sorrows, the loss, the grief, and circumstances of life and offer prayer to God. Whether we are mothers, are estranged from our mothers, have buried our mothers, still hope to one day become mothers, or are past the years where motherhood is no longer an option for us, it is Christ who holds us fast. Together, on Mother's Day, we will offer prayers of thanksgiving, praise, healing, and comfort to God for all the experiences we share surrounding motherhood. We will pray that God will continue to bless our congregation and world with faithful mothers and mother figures who raise up servants of Christ. We will pray that God continues to bless all the women of Pleasant Valley as they lead us in our faithful ministry in the world.

Thanks be to God for the women of Pleasant Valley!

Pr. JonPaul

### **Pleasant Valley Lutheran Church Council Minutes      Sunday, April 3, 2016**

The meeting was called to order at 10:32 by President John Poore. Pastor JonPaul led us in prayer.

#### **NON-AGENDA**

Steve Nelson joined us. He showed us how our investment portfolio is doing. He explained that our portfolio is now growing again and we could take some of the profits out if we needed to do so. We talked about the Thrivent card for "seed money" that can be applied for by members for some church functions. The cards need to be applied for 22 days before the event,

and full members can get 2 cards a year. Associate members can get one per year. Steve also told us about a meeting at the Roger Marten Community Center in Mondovi to talk about the current markets and how they affect your financial strategy. The meeting is April 14, at 6:30 p.m.

## **REPORTS**

The secretary's report was gone over. The treasurer's report was gone over. Some special items were highlighted orally. The Mission Sunday offering to go to Sarah Ashouri after the loss if her husband was \$708.57. The Pastor's report was gone over. We talked about getting a wheel chair or walker for members and visitors that might make use of one. We will ask Ruthann about this. Kay and Roxie also may have access to such equipment. We also talked about perhaps not having communicants kneel at the railing. The confirmation class has finished studying the 10 Commandments. They will now start on the Lord's Prayer. Pastor is considering having confirmation class on Sunday, after church, on days when there is no council meeting. On April 10, after the signs are posted, the sermon will be recorded. Aaron will ask Annabelle to record it on her camera and they will post it on the website. We won't get a license for the recording of the whole service until we see how much the sermon recording is being viewed. Also, we need to schedule a good cleaning and decluttering of the church.

There was no Ambassadors' report. Kay made a motion to accept all reports. Second by Roxie. Motion carried.

## **OLD BUSINESS**

**Education** – The potential campers need to get together with Corissa to set up the registration for Luther Park Camp. Three of the campers have chosen July 17th to the 22nd.

We have 3 graduates that will receive quilts; JD Freezy, Caitlin Herzberg, Kaitlyn Vanlandingham. We will celebrate the graduates on May 15. We have no information on VBS. Kay will talk to Corissa about a program. We have no students to be confirmed. The last day of Sunday School will be by May 15.

**Building** – We now have a new refrigerator in the kitchenette. There has been

no motion on the trim on the soffit, and we don't have a price on new roofing. We may want to ask Adolph Pichler if he wants to do the steeple and the roof. Or, we may ask Wittmer Builders if they want to do the roof – or both. The idea would be to do it all when we have the lift rented. Also, the outside of the basement walls need to be painted. This may be a project where we could use Thrivent funds.

**Worship** – covered in the Pastor's report

We will be distributing bibles to our third graders and those that have not received bibles from the church. They include the following: Kyle Bahr, Elijah, Isabella, and Tommy Knutson, and Brennan Vanlandingham. They will be distributed on May 8.

## **NEW BUSINESS**

The Synod Assembly is Saturday, May 21. The Pastor will put an announcement in the bulletins.

**Mission offering** – April – Lori Mai – costs related to cancer

May – Bob Anderson – needing a kidney transplant – kidney failure

June – Sojourner House – to pay down a loan  
Ruthann would like to reserve the church basement on July 3. It was approved.

I will get the e-mailing list from Monica, edit it, and send prayer requests to those folks, not to be passed on, but so those that wish to pray for them may do so.

## **OTHER**

Upon doing taxes, Pastor JonPaul would like to allocate some of his salary to a housing allowance. Roxie will allocate \$890 a month, the cost of the Pastor's rent, to a housing allowance. The allocation will appear on the second payment of the month. Motion to do so was made and seconded, and carried.

Question as to whether there are guidelines for special music. There have been none in the past. Should it follow the texts or the main theme? Could we have special music during offering or communion? Pastor JonPaul will handle the special music and put a note in the newsletter.

A new computer/wireless projector system has been priced. The package would cost about \$1,200 to \$1,300.

Pastor JonPaul explained the use of an assistant minister to do prayers of the church. He explained the separation of the duties between the pastor/minister and the assistant pastor/minister. There has been a comment that a member would like Pastor JonPaul to do the prayers.

Also, there was one comment that the service went too long today.

Motion to adjourn was made by Ruth. Second by Kay Sands. Motion carried. The meeting closed at 12:25 with the Lord's Prayer.

Respectfully submitted,

Ruth Poore, Council Secretary

Members present: Pastor JonPaul Dragseth, Kim Vlcek, Kay Sands, John Poore, Aaron Sands, Roxie Ulness, Ruth Poore, and Steve Nelson – from Thrivent

### **Parish nursing**

Thank you to Kay Sands who donated a wheelchair to the church! This will be very beneficial for helping people to get around at Pleasant Valley Lutheran.

### Stories of Faith

#### **Cathy's story**

(That's Cathy-with-a-C Winger.)

My first encounter which I can recall with the word "Christian" was when I was a toddler. My father was watching an evangelist on television, and I heard the preacher mention the word Christian. I asked mom, "What is a Christian?" She told me that a Christian is like a person who is a little Christ, and if you consider yourself a Christian, then you pattern your life after Christ's life and the Bible.

As time went on, I noticed how others modeled Christ's life to me. My mother, TV preachers, people in Sunday school and church as well as others – all made an impact. I saw Jesus in them.

Through the years on my spiritual journey, I have read the entire Bible from cover to cover several times. Every time I gain new insights and learn something new. The main message that I receive from the Bible is this: Christians are imperfect people who are forgiven; therefore we need to be forgiving. I have also learned in my life experiences – the hard way – that there are people who call themselves Christians, but do not always live Christ-like lives. I have learned that sin tears people apart, and forgiveness heals and brings people back together.

And also, we need to remember that young people look up to the elders in the church. They hear what we are saying and they watch what we are doing.

I have some advice for young people. Although we can and should learn from others, we should not always look to people; rather we should look to Jesus, to see how to live. The most loving human being is not perfect, and will probably eventually disappoint you. Yes, you can learn from them, but the only One who will not let you down is Christ.

My wish is that we strive to truly all become little Christs.

If you have a story to share, please see Ruthann.
