

## **Pastor's Corner,**      October 2017

### Ordination

It will be 2 years ago this month that I stood among you, the people of Immanuel in Eau Claire, and synod staff and pastors and was ordained to the Office of Word and Sacrament. On that day, within and among the rites, the hymns, and the cake, I was given a charge: to serve God's people as their pastor.

Specifically, I was called to live out this vocation among you at Pleasant Valley; that is, to be your pastor. But, we also took on an experiment together. We chose to walk together as we explored a new model for ministry, one in which the pastor's time and energy were devoted to, a primary source of income from another call; one outside pastoral ministry. For 2 years I have worked full-time as a physical therapist, now for Mayo Clinic in Osseo, and served as your pastor.

I love it. Often times I'm tired and exhausted, but I love it. I love treating patients. I love being in the clinic living out Jesus' call to discipleship as a member of the community. This, I believe, is the heart of being a Christian and follower of Jesus. Each of us, throughout the week, uses our gifts and our talents to contribute to our community; as farmers, as teachers, as therapists, as nurses, as administrative assistants, and as retired persons. Being a follower of Jesus isn't just about what we do Sunday mornings; it's what we do all week long.

And, I love being your pastor. I really do. I love our worship together. I love teaching Sunday School and Confirmation. I love working with council to do the business of being a church. I love hearing about what is happening in your lives. I love learning about faith and discipleship among you.

Of course, like any imperfect human institution, we don't always get everything right. But, I think we have a gracious, forgiving way of managing those times, and that only helps build

up our community. Over the course of the next year, we will invite synod staff to join us at Pleasant Valley and work with you and me to check-in on how we are doing as a congregation, how this "experiment" is working, and what areas for growth we might have. I believe this will give us an opportunity to honestly reflect on who we are and outline a way forward as a congregation, both into the near and distant future. Because, I do believe Pleasant Valley will continue to be a vibrant, loving community long into the future.

2 years already. Ordained in October, installed among you on All Saints Sunday. I look forward to many more years together.

Peace,  
Pr. JonPaul

#### **Council Minutes,** Saturday, September 3, 2017

The meeting was called to order at 10:29 by President Kay Sands. Pastor JonPaul led us in prayer.

**NON-AGENDA** – none

#### **REPORTS**

The secretary's report was reviewed.

The treasurer's report was reviewed. In July we collected \$297 for the Mission Offering for Transitions in Neillsville. In August we collected \$231 for the Mission Offering for Eleva/Strum Weekend Backpack Meal Program.

The Pastor's report was reviewed. We were reminded that the bazaar service will be at 10. We need to decide how the services will go on Christmas Eve. Will we have two services; morning and candlelight? Will the Praise Team be at the prison in the evening? The visitation team will meet in October to discuss changes to the list and how visitations have been going.

Confirmation and Sunday School will begin on September 17. Catie McAleer will be holding off until next year for confirmation classes. We have 5 students that will be taking first communion in the spring; Sarah McAleer, Kasey Bahr, Tommy, Elijah, and Isabella Knutson. Pastor and Jessica will concentrate on the Sunday School program. Pastor will do the opening with the whole group and the volunteer teacher will do the lesson. We will purchase 10 individual student pamphlets and we will look at purchasing the student bible.

There was no Ambassadors' report.

John made a motion to approve the reports. Second by Aaron. Motion carried.

## **OLD BUSINESS**

**EDUCATION** –Corissa Sands is willing to coordinate planning for the Youth Gathering with some help from interested members. The Youth Gathering will be in Houston June 27 to July 1, 2018. We have 9 youth that qualify to attend. A letter will be sent to them to see where the interest lies. If they register before November 15 the fee is \$350. From November 15 to February 14 the fee is \$390. From February 15 to May 14 the fee is \$440. \$150 of the fee is non-refundable. Housing will be assigned by the conference, then we will reserve and pay. The approximate cost will be about \$2,000 per attendee. We are planning to meet on September 24 with possible attendees to the Youth Gathering.

**PROPERTY** – The blacktop will be finished this fall by Oium. The monies bequeathed to us from Phyllis Goff will be used for the blacktop

**WORSHIP** – Bazaar – The profits from the meal will be donated to a local cause; possibly to the Landmark Christian Church for their Hope Village Project; tiny houses built for the

homeless to give them a place to live while they are getting back on their feet and give them and address needed for applications. Ruth will make up the 100 flyers. We will print the same number of tickets that we did last year.

There was some discussion at the Council retreat about getting the cranberry hymnal to use during worship. Prices were researched on-line. No decisions were made at that time. If we decide to purchase new hymnals we would use any money left from the monies bequeathed by Phyllis Goff.

The Gideons have not responded to Pastor's call.

We have been asked to do the church service at Cleghorn Harvest Fest on September 10, 2017. We will do that, with the Praise Team playing. The service is from 9:00 to 10:00, so we will not be having a service at Pleasant Valley on that day. The Praise Team will be there at about 7 a.m. to set up.

**SOJOURNER HOUSE** – Ruth reported on the information that Art Syth supplied. There were a lot of questions. We will see if Art can come to a council meeting to better explain.

## **NEW BUSINESS**

Roxie wondered if our Mission Statement needs to be updated. The present statement, "That all may come, serving all the people of God", was written when we were putting in the entrance for the handicapped.

Monica Bahr has requested that we pay her entrance fee to attend Soul Support - \$125 or \$130. Kathy Tweet has requested half that to pay for part of her entrance fee. A motion was made by Kim to pay Monica's fee and half of Kathy's. Second by Dale. Motion carried.

Mission offering – September – Mondovi  
Weekend Backpack Meals (school begins  
August 22)

October – Roger Tillius –  
hospitalized since June 30 with paralysis from a  
tick borne disease and West Nile virus

## **Poem**

How is being a Christian like being a  
pumpkin?

God see us, picks us out of the dirt,  
cleans us off, takes the yucky material  
out of us by forgiving us, puts a smile on  
our faces and places a shining light  
within us for others to see.

Jesus said: "Let your light shine before  
others, so that they may see your good  
works and give glory to your Father in  
heaven" (Matthew 5:16, NRSV).

## Faith Stories

Seventeen years ago, Phil and I (Ruthann) sold our house and went our separate ways. It was not easy leaving, as we had bought the land from my Mom and Dad, and raised our family there. John and Becky Schweinfus have taken good care of the home, and it was a happy place for them to raise their three boys. I had asked Becky to let me know if they ever planned on selling it, as perhaps one of the kids might be interested. She let me know in May that the house would go on the market at the end of June, unless we wanted to buy it. After jumping through many hoops and pooling all our resources, the house returned to our family in August. Now Joe, Jeni, Gage, Tommy, Isabella and Elijah and I are living in the house where Joe grew up. I am living in the room that Sandy and Bethany shared.

Some of you have heard me tell Beth Moore's story of how God compelled her to brush the hair of an elderly gentleman in an airport. She was reluctant, but he had been in a hospital for months, and was flying back home to meet his wife, and his hair was long and matted. He appreciated how she helped him to look presentable.

I have shared this story at CVCTF, and told how the people in this church have, in many ways, brushed my hair over the past years.

Once again, my hair was brushed when friends from this church worked so hard to help me move. Thank you all!! And thanks for also bringing food for the movers. I am truly blessed.

It's good to be home.

If you have a faith story to share, please contact Ruthann. RuthiK6@gmail.com.
