

## **Pastors Corner**

**May 2019**

After a long, record-setting snowfall of a winter, it seems we have finally entered the season of spring. New life seems to be visible everywhere: grass is turning green, buds are sprouting on plants and trees, birds have migrated back, flowers are starting to bloom, hibernation is ending, and people are emerging from their homes, spending time out in the nice weather.

Summer is often a time of “slow-down” in the Church. Sunday school and confirmation come to a close, families take vacations, and farmers are in the fields to get crops planted. During these times, we usually don’t have quite as much going on around the church.

But, that isn’t necessarily the case for us here at Pleasant Valley. We have several projects coming up and opportunities to work together.

This summer we will be putting a lot of effort into Olson Park. A new walkway will be added. Trees will be cleaned out. Plans will be made for what to do with the space and how we can better use it as an integral part of our worship and ministry life. We will be looking for many people to help.

The church could use a good “spring cleaning.” What is just sitting around that we don’t use or don’t need? What things are hiding back in storage that have significant meaning to our history and could be brought out and displayed?

Let’s keep our young people engaged! We have had a great year of Sunday school, with up to 9 kids ages 5 and under learning the stories of the Bible and helping with worship (ushering, offering, communion). Our confirmation students have been really fun to work with and have learned a lot about being God’s people in the world. I think this is awesome! How else can we encourage our

young people to use their gifts among us that we might be a congregation for all people?

And, of course, we will hopefully have another outdoor worship this summer like we did last year. We grilled out, played games, and some even camped overnight! What a great way to grow in relationship with each other. Maybe this year we can make it a goal to invite our friends and neighbors and show them just how great Pleasant Valley is.

There are a lot of opportunities for all of us to use our gifts and skills this summer. How will you be involved?

Peace,

Pr. JonPaul

### That rock has rolled

The rock has already rolled—that is, the big rock, the boulder that kept the crucified one in the tomb. That rock has already rolled. Christ is risen. And Christ is on a roll, going ahead of us, calling us to share in the new life that is stirring and multiplying, and growing, by the grace of God. How shall we do our rock-rolling as followers of this rock-rolling Christ?
